

6. User's Manual

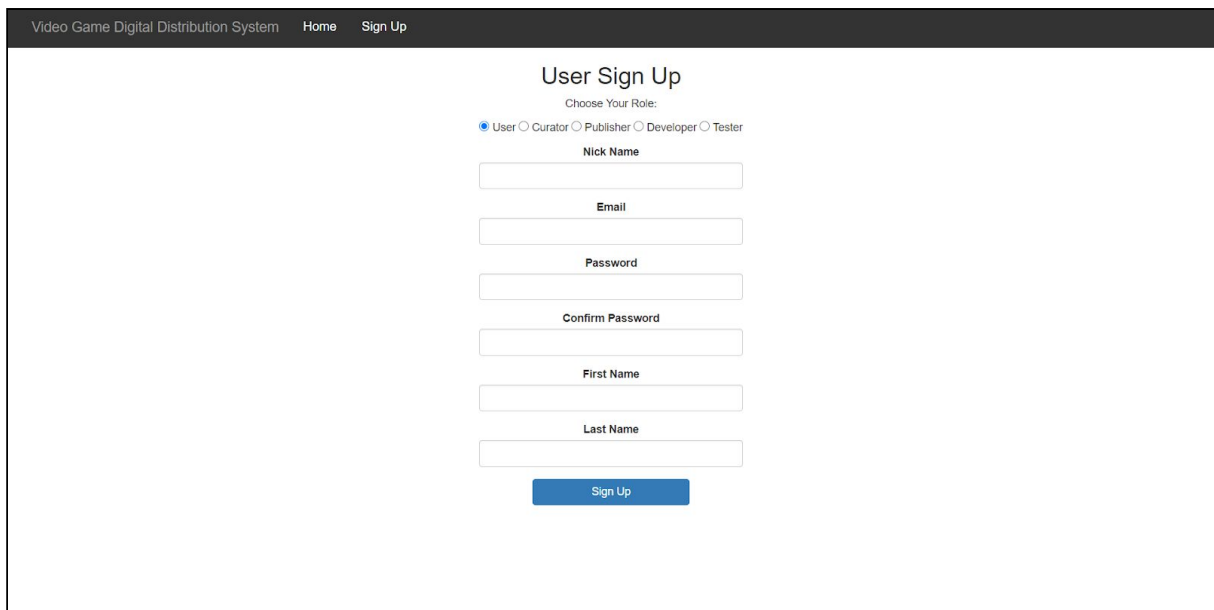

6.1. Login

The screenshot shows the 'Login' page of the 'Video Game Digital Distribution System'. The page has a dark header with the system name and navigation links 'Home' and 'Sign Up'. The main content area is white and contains a 'Login' form. At the top of the form is the title 'Login'. Below it is the instruction 'Choose Your Role:' followed by five radio buttons: 'User' (selected), 'Curator', 'Publisher', 'Developer', and 'Tester'. Below the radio buttons are two text input fields: 'Username' and 'Password'. At the bottom of the form is a blue 'Login' button.

Users can login to the system by choosing their user type and fill the corresponding username and password sections.

6.2. Sign Up

The screenshot shows the 'User Sign Up' page of the 'Video Game Digital Distribution System'. The page has a dark header with the system name and navigation links 'Home' and 'Sign Up'. The main content area is white and contains a 'User Sign Up' form. At the top of the form is the title 'User Sign Up'. Below it is the instruction 'Choose Your Role:' followed by five radio buttons: 'User' (selected), 'Curator', 'Publisher', 'Developer', and 'Tester'. Below the radio buttons are seven text input fields: 'Nick Name', 'Email', 'Password', 'Confirm Password', 'First Name', and 'Last Name'. At the bottom of the form is a blue 'Sign Up' button.

Users can sign up to the system by choosing their user type and filling the corresponding input areas.

In suggest game page, curators can select a game to be reviewed by clicking the “Review” button. If curator already reviewed a game, by clicking “Review Details” button, curator can see his review for the selected game.

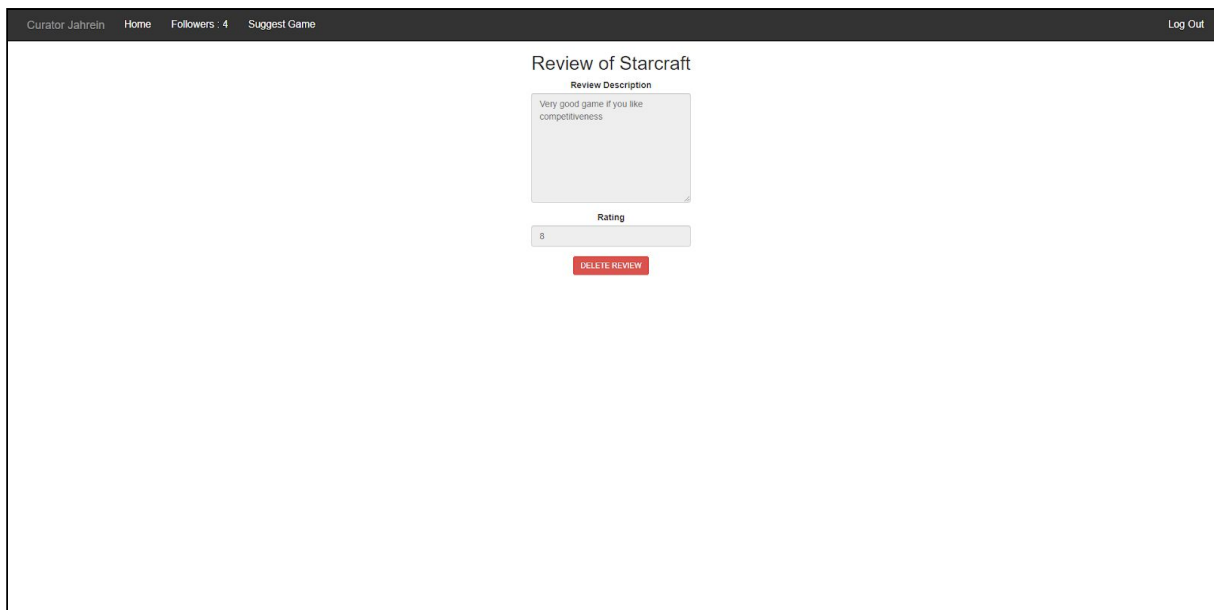

6.35. Curator Review Game

The screenshot shows a web interface for reviewing a game. At the top, a dark navigation bar contains the text 'Curator Jahrein', 'Home', 'Followers : 4', 'Suggest Game', and 'Log Out' on the right. The main content area has a title 'Review GTA San Andreas'. Below the title is a form with two sections: 'Review Comment' and 'Rating'. The 'Review Comment' section has a text input field containing the text 'This game is the bes'. The 'Rating' section has a dropdown menu showing the number '5'. Below these fields is a blue button labeled 'Publish Review'.

In curator review game page, curator can type the review description and give a rating for the selected game. After everything is done, by clicking the “Publish Review” button, this review will be submitted to the system.

6.36. Curator Review Details

The screenshot shows a web interface for viewing a review. At the top, a dark navigation bar contains the text 'Curator Jahrein', 'Home', 'Followers : 4', 'Suggest Game', and 'Log Out' on the right. The main content area has a title 'Review of Starcraft'. Below the title is a form with two sections: 'Review Description' and 'Rating'. The 'Review Description' section has a text area containing the text 'Very good game if you like competitiveness'. The 'Rating' section has a dropdown menu showing the number '5'. Below these fields is a red button labeled 'DELETE REVIEW'.

In curator review details page, curator can see his review description and rating score for that game. By clicking the “Delete Review” button, curator can delete this specific review from the system.

6.37. Develop Game

The screenshot shows the 'Game Specification' form in the Developer CD Projekt application. The form is titled 'Game Specification' and contains several sections for inputting game details. The top navigation bar includes links for 'Developer CD Projekt', 'Home', 'Develop Game', 'Published Games', 'Check Approval', 'Reported Bugs', and a 'Log Out' button. The form fields are as follows:

- Game Name:** A text input field containing 'Rust'.
- Game Description:** A text area containing 'The only aim in Rust is to survive - Overcome struggles such as hunger, thirst and cold. Build a fire. Build a shelter. Kill animals. Protect yourself from other players.'
- Game Genre:** A dropdown menu with 'Survival' selected.
- Minimum System Requirements:** A section with four sub-sections:
 - Operating System:** A dropdown menu with 'Windows 10' selected.
 - Processor:** A text input field containing 'Intel Core 2 Quad CPU Q6600 @ 2.40GHz (4 CPUs)'.
 - Memory:** A text input field containing '16GB'.
 - Storage:** A text input field containing '80GB'.
- Available Publishers:** A section with a search bar and a dropdown menu for 'Publisher Name'. Below this is a table with two columns: 'Publisher Name' and 'Option'.

Publisher Name	Option
Activision	<button>SELECT</button>
Electronic Arts	<button>SELECT</button>
Konami	<button>SELECT</button>

In develop game page, developer company enters information about its game and makes a publish request to the chosen publisher company.

6.38. Developers Published Games

The screenshot shows the 'Published Games' table in the Developer CD Projekt application. The table is titled 'Published Games' and has a search bar above it. The table has five columns: 'Game Name', 'Game Genre', 'Price', 'Version', and 'Update'. There are two rows of data:

Game Name	Game Genre	Price	Version	Update
Cyberpunk 2077	RPG	20	3	<button>UPDATE</button>
Witcher 3	RPG	20	2	<button>UPDATE</button>

In published games page, developer company is able to see its published games in a table. Developer company can choose to update a game by clicking the “Update” button.

6.39. Update Game

The screenshot shows a web application interface with a dark header bar containing navigation links: 'Developer CD Projekt', 'Home', 'Develop Game', 'Published Games', 'Check Approval', 'Reported Bugs', and a 'Log Out' button on the right. The main content area is titled 'Update Cyberpunk 2077'. Below the title, there is a form with two input fields. The first field is labeled 'Update Description' and the second is labeled 'New Version No.'. Below these fields is a blue button labeled 'Update'.

In update page, the developer company enters the update description and new version number and updates the game by clicking the “Update” button.

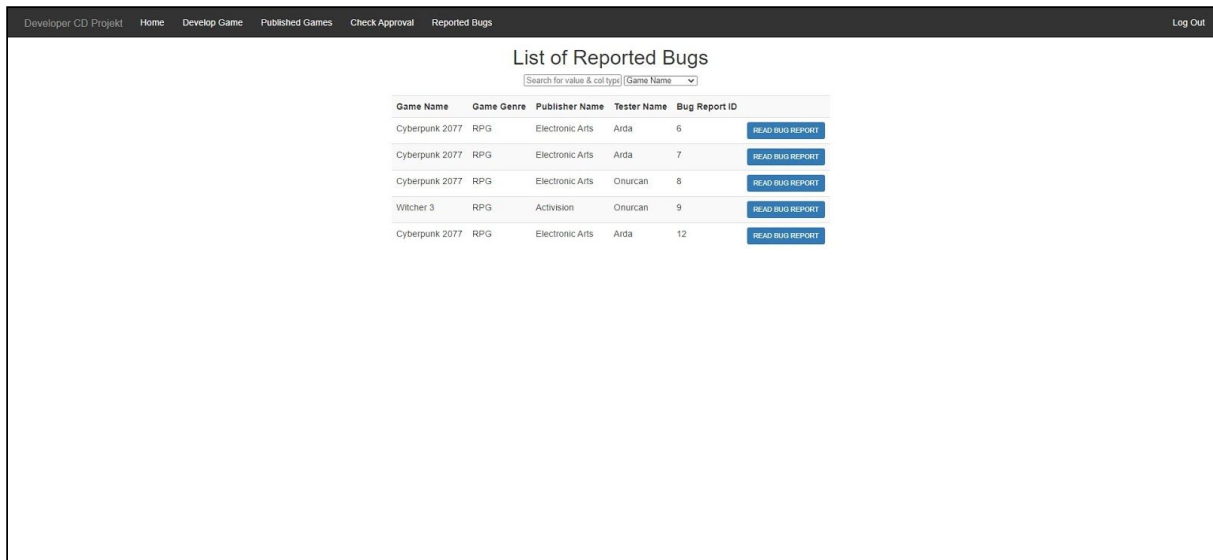

6.40. Check Approval

The screenshot shows a web application interface with a dark header bar containing navigation links: 'Developer CD Projekt', 'Home', 'Develop Game', 'Published Games', 'Check Approval', 'Reported Bugs', and a 'Log Out' button on the right. The main content area is titled 'Check Approval'. Below the title, there is a search bar with the placeholder text 'Search for value & col type' and a dropdown menu with the text 'Game Name'. Below the search bar, there is a table with the following data:

Game Name	Game Genre	Publisher Name	Approval Status
Cyberpunk 2077	RPG	Electronic Arts	Accepted
Witcher 3	RPG	Activision	Accepted

In the check approval page, the developer company can see the current status of their publish requests.
